INTERNATIONAL AND REGIONAL CODE OF CONDUCT FOR USYERS, KADIMANIKS AND STAFF

Year after year, the Kadima and USY members have a great time at our Regional activities. Because of our genuine concern and care for each member, and so that all can enjoy these programs to the fullest extent without interference, we have a Code of Conduct at Regional events. These rules are basic, simple and fair, and in the best interest of all participants. It is the responsibility of parents to review these rules and stress their importance to their children as we will expect full compliance. We reserve the right to call parents of individuals whose behavior is inconsistent with the Code of Conduct below to personally pick up their child from the event (with no refund) and/or to exclude their child from future events.

1. There is to be no smoking.
2. There is to be no possession or use of any narcotics, marijuana, other illegal drugs or prescription drugs not prescribed for the user. Matches, firecrackers (or similar devices), knives, sharp or dangerous objects, as well as the items mentioned before are not permitted to be brought to camp, nor may they be in the possession or cabin of any Camper.
3. There will be no possession or consumption of any alcoholic beverages.
4. There will be no shoplifting or other theft of any kind.
5. If a USYer/Kadimanik is caught in possession of or using alcohol or illegal drugs, he/she will immediately be sent home at his/her parents' expense. Furthermore, USY International policy states: "Anyone violating any such rules at a regional event for the infraction of these rules is barred from international events for one year following the infraction. Individuals will also be prohibited from participating in the next major regional USY program and other events occurring in the interim, and prohibited from chalking events or staffing programs for six months. Individuals already in leadership positions will be removed. A major Regional event is a regionally sponsored overnight event, such as a convention, Kinnus or Encampment. These events will also include (but are not limited to) the International USY Convention and USY summer programs." The Region reserves the right to impose additional sanctions in connection with this or any other improper behavior as it sees fit.
6. All participants are expected to be in sessions (services, meals, study groups, etc.). Swimming is permitted only at scheduled times when certified supervision is present. The pool and lake areas are off limits at all other times. Because the campgrounds are very spacious, certain other areas will be announced as off limits for your safety. NO USYer/Kadimanik may leave the premises without prior approval of the Regional Director and a parent.
7. All males are expected to bring a tallit and tefillin. All males are required to wear a kippah during all services, meals and study groups. Tallit/tefillin must be worn for morning services where appropriate.
8. Each participant is expected to maintain proper decorum and attitude during the entire program. Disruptive behavior (including, among other things, inappropriate sexual behavior) will not be tolerated. Your parents will be responsible to pay for any damage you may cause.
9. Proper dress is expected of everyone. For Shabbat, males must wear a shirt and tie or sweater, no jeans or sneakers. Females are to wear dresses, skirts, or dressy pants. You will be asked to change if your dress is not Shabbat appropriate. All USYers/Kadimaniks shall wear clothing appropriate to the event/location. Please note that you may not wear tank tops, halters, see through blouses or strapless shirts to regional events.
10. All housing/rooming/bunking assignments are final. Changes in bunking can only be made by the Regional Director or her designee. All USYers must be in their assigned bunks at curfew and remain there. Males are not permitted in sleeping rooms of females and females are not allowed in the sleeping rooms of males.
11. Each participant is expected to conduct him/herself appropriately as a Conservative Jew (including through the observance of Shabbat and Kashrut), in accordance with applicable standards of the Law and Standards Committee of the Rabbinical Assembly and/or the local Rabbinical Authority.
12. No USYer shall violate any civil or criminal law, including but not limited to, those related to tampering of or destruction of property, and destruction of one's own or another person's physical and/or mental integrity. Inappropriate or unwelcome physical contact or language, indecent attire or public nudity, shall not be permitted.
13. The Region reserves the right to search the room and belongings of any attendee if it has reasonable grounds to believe that such a search is necessary to secure and maintain the health, safety and/or welfare of the program and/or its participants. The USY or Kadima Director, in consultation with the Regional Youth Commission, reserves the right to enforce other rules relating to the integrity of the Regional Youth Program and/or the health, safety or welfare of its participants.

I have read these rules and understand them fully. I certify that I will adhere to this Code and will conduct myself in a manner reflecting credit upon myself, my Chapter, congregation and community. Any violation of this code of conduct may result in the participant being sent home at his/her parents' expense. The Regional Director has the sole discretion to send a participant home.

I, _____, the parent/guardian of _____, a minor, who will be participating in USY/Kadima Regional programs, do hereby certify that I have read the Code of Conduct set forth above. I do hereby agree that if my child who has signed the above Rules of Conduct fails to adhere to the Code, then in such event those persons in charge of the program may send my child home at my expense. I understand that the Regional Youth Director has the sole discretion to send my child home.

I have been made aware of the fact that the events in which my child is participating may be photographed by either amateur or professional photographers, that the photographs taken may be used both for purposes of reporting on the event or for such other use as the USY or Kadima organization may determine. I have no objection to the pictures taken being used at any time for promotional use. It is my understanding that by signing this document I consent to the use of the pictures just referred to for any purpose whatsoever.

I understand and agree to all of the policies listed above.
