The 20's and 30's at Har Zion present

RABBINIC SMACKDOWN!

Thursday, January 26

7:30 PM

Hosted by Amy & Randy Schulz

This is the monthly opportunity for our 20's and 30's group to gather informally to hang out, have a beer or two, and do some learning together. Rabbi Stein and Rabbi Knopf will each be teaching one of their favorite Jewish texts, offering their own perspectives, and then responding to each others' points of view.

It will be a real rabbinic smackdown. Not only will you have front-row seats, you can get involved in the action by asking questions, challenging, and offering up your own interpretations. Feel free to invite friends.

**Questions? Contact Rabbi Michael Knopf, rmknopf@harziontemple.org
RSVP requested but not necessary.**
