

**As we approach Har Zion Temple's 100th Anniversary,
we have recovered, we are thriving,
and we are serving the community's needs
in the new post-pandemic setting.**

We welcome Cantor Randy Herman to our superb staff team!

Har Zion Temple brings tradition and creativity *together*
so that **we** can be *together*.

- **Inspirational Prayer – we've never missed a day!**
As we welcome Cantor Herman, we continue to make our Shabbat, Festival, and Weekday services more meaningful, both in-person and online
- **Youth Education – every day, 18 months to 18 years.**
Our NCCECE, JFGRS and Day Camp are all full, and this year we are launching The Link to serve our community's teenage population
- **Adult Education – more robust than ever!**
Daily classes, series, and experiences with local teachers and global content – at Har Zion, as well as online
- **Lifecycle Support and Pastoral Care** – Baby Namings, B'nei Mitzvah, Aufrufs, Weddings, Funerals, Shiva Minyanim, Illness and Healing Support
- **Social Opportunities – In-person, online** – Seizing every opportunity to laugh, see faces, and share greetings
- **Constituent Groups / Committees** – Bringing people together to celebrate Jewish life, enjoy community, and serve our synagogue, the Conservative Movement, and local/global communal organizations

Strong. Connected. Together.

We continue to evolve, growing every day to better meet the needs and desires of our community. Through listening deeply to our members and focusing on our unique resources – our incredible staff, talented lay leaders, and beautiful campus – we will continue to offer greater opportunities for meaningful connection and growth.
