Mussar is a centuries old Jewish spiritual practice that supports the cultivation of an ethical life. The central cornerstone of Mussar is to "love your neighbor as yourself."

Through CCM's carefully crafted curriculum, students awaken to a Jewish spirituality that is generous, compassionate, and life-affirming. Students learn to create stronger and more positive relationships in every sphere of their lives.

Karen has been with CCM since 2014 and became a certified madricha in 2018. A lawyer and grant writer with conflict resolution training, Karen has taught on both the high school and college levels. For over 30 years, Karen has been teaching in Philadelphia-area religious schools, most recently at Har Zion Temple. She and her husband Ned are blessed with two sons, a daughter-in-law, and two grandchildren.
