

## **Madregot Program**

Har Zion Temple is resolutely committed to the idea of educating any and all Jewish students. Through our Madregot program we welcome any family who has a child with special needs to be in touch with us to discuss how we can best serve your child's Jewish educational needs. Any student who requires a one to one assistant will receive that service while other children will be assisted by resource teachers in the classroom with other students. The program is supervised by the school inclusion coordinator and his faculty of special needs instructors.
