

לדור ודור L'Dor Vador, Help Our Garden Grow

Dear Har Zion Friends and Family,

After several generations of enjoyment and memories, Har Zion's playgrounds are approaching the end of their useful life. Over the past year, we have planned for a complete renovation of both playgrounds. ***We need your support to turn our vision for engaging, accessible, and creative play spaces into a reality.***

Our new playgrounds will support children of all ages including the Noreen Cook Center for Early Childhood Education, Har Zion Day Camp, the Jane Fishman Grinberg Religious School, and the many wonderful gatherings within our Har Zion community.

Lower Playground:

Our youngest children will be able to experience a variety of new play equipment including sensory activities, musical elements, and pretend play. This playground will be transformed into a bright, inclusive and engaging play space that allows for elevated learning opportunities beyond the classroom walls.

Upper Playground:

By more than doubling the size of the existing play space, we will craft a woodland adventure with a wide range of challenging and exciting pieces for our older children to enjoy. This new space will encompass the nearby Wilf Woods, allowing for a hidden musical pathway and nature-inspired exploration.

With your support, we can reach our \$200,000 goal and ensure that future generations of children will benefit from this important piece of our Har Zion community.

Thank you,
Sara Horowitz, *H.S.A. President*
