Dear JFGRS Families:

Rabbi Shawn SimonHazani, Director of Lifelong Learning and Dr. Michael Schatz, Assistant Director of the Jane Fishman Grinberg Religious School are active members of the Jewish Educators Assembly, and will be participating in ***JEA 22: The Leader Within Conference*** from January 30-February 2. This year's conference will take place virtually and in Boca Raton, Florida for those able to participate in person. Dr. Schatz served as JEA president and is also a past conference chair.

*(The JEA – the professional organization of Jewish Educators in the Conservative Movement – is the organization responsible for the Etgar Yesodi curriculum, and has offered other professional development programs for school directors and teachers that have enhanced our work at Har Zion and at other synagogue schools.)*

An exciting part of the conference will be the Teacher Honoree event on Sunday evening, January 30.

We are pleased to announce that **Mrs. Shulie Taban** will be Har Zion's honoree for this event. In addition, Shulie will be the recipient of Har Zion's Isadore L. Kirschner Teacher Appreciation Award, which will be presented at our Move Up Day program on the last day of school. Shulie is our beloved *Kitah Dalet Morah*, and has been a teacher at Har Zion for three years.

The Honoree event will take place at Congregation B'nai Torah in Boca Raton and will be zoomed so that you may participate from anywhere. The program will start at 7:30 PM Eastern time and will include a musical presentation by Cantor Magda Fishman, renowned cantor of Congregation B'nai Torah. The formal presentations will take place first. Those attending in person will then take part in an elegant dessert reception.

The evening will also feature a tribute book for you and family/ friends to contribute to in honor of Shulie. **Please see the donation levels below and email for any questions.** Any level of contribution is wonderful!

It would be very special if the JFGRS parents, in particular the parents of Morah Shulie's Dalet class this year and last year, could collect even small donations together and make a nice tribute in her honor, to thank her for all she has done for your children.
