In-person and Livestream

Please join us to hear testimony from two victims of the horrific attacks carried out by Hamas that launched Israel into war and fanned the flames of global antisemitism. The narratives of our two guests are stories of courage, heroism, devastation, and loss.

It is incredibly important to hear these first-hand accounts and to help amplify the voices of the Israeli victims of this unprecedented terror attack.

**There is no cost to attend – Open to the entire community**  
*Please extend an invitation to all family and friends*

**RSVP requested: [hzt@harziontemple.org](mailto:hzt@harziontemple.org) or 610-667-5000**

For those unable to join in person,  
the program will be available by [Livestream](#)

***Co-sponsored by Har Zion Temple and the Jewish Agency for Israel***

*The [Fund for Victims of Terror](#) (FVOT) has been providing immediate financial assistance to victims and their families, arriving with checks within 24-48 hours, and following up with long-term rehabilitative support.
