Jennifer Goodbinder

Vice President ~ Lifelong Learning

I have been a member of Har Zion Temple for 14 years. My husband and I joined when our family moved here from Birmingham, Michigan and started our oldest daughter at the Day Camp. All three of my kids went to the NCCECE and JFGRS and I got involved in the HSA as a way to meet new people in our new town. Eventually, I served as HSA Co-President and have been on the synagogue board for many years.

When asked to volunteer for the first time those many years ago, I tried to remember a lesson my parents taught me – to just say yes – and that philosophy has led me to many interesting and fulfilling experiences as a Har Zion lay leader. I hope if you are asked, you say yes too. Or better yet, don't wait to be asked!
