

Officer Spotlight

William A. Novick

Vice President ~ Membership and External Affairs

My family joined Har Zion in 1976, when Har Zion moved to Penn Valley. I attended Hebrew School and later became a Bar Mitzvah in 1981. My wife Ellen and I were married at Har Zion in 1998. Our four sons (Jacob, Daniel, Charlie and Theo) attended preschool and day camp, and each became a Bar Mitzvah at Har Zion.

Over the years, I have volunteered on the budget committee and the nominating committee, and was asked to join the Board, serving as an officer for the last two years. More recently, I have also become a regular daily minyan attendee and have come to truly enjoy the *esprit de corps* of this small but growing group.

Professionally, I am part of our family food distribution business which focuses on children's nutrition programs.

Har Zion has been a consistent part of my life for a long time, and it is an honor to serve with my fellow officers.
