YOU CAN MAKE A DIFFERENCE

One person can make a difference and that one person is you! This is the one fundraiser in which the money raised stays within Sisterhood to assist in funding all of the educational, social and religious programs that Sisterhood offers throughout the year. We ask that you give generously and help us to make this the most successful Closing Luncheon & Fundraiser ever.

We would like to say a special thank you to *Susan G. Komen for the Cure - Philadelphia Affiliate* for helping us put together an outstanding panel of experts to inform and empower us to be proactive and breast healthy as we enter the more relaxing days of summer.

Nancy and Missy

Breast cancer is everywhere, and so is Susan G. Komen for the Cure.

This luncheon is inspired by the memories of our own
mothers and all of the women of Sisterhood who we
know would have proudly told their stories had they been
able to be with us.

By empowering the women of the Jewish community at
Har Zion Temple, we know that at least one life will be
saved if not hundreds more. *The Power of One* - to educate
one person, to share one afternoon, to save one life, that
is our goal.

You can be the one who makes a difference.

Tradition is our bedrock,
Family is our shelter,
Community is our garden,
Learning is our light.
