2015 B'BAYIT SERIES - 7:30-9:00 PM

Our B'bayit series brings Torah into our homes. This year our focus is on siblings - those related to us and those who became our "brothers" and "sisters" at summer camp. Through conversation, songs and fun we will explore how our siblings shaped us, our relationship with them as adults, the impact of rivalries, personalities and responsibilities, and how to best respond when siblings ignore our advice, as well as insights from our tradition into sibling relationships. We will share a few laughs while we learn practical lessons to foster ever-meaningful and vibrant relationships with our brothers and sisters. *All ages are welcome to join us!*

INNOVATION UPDATE FROM  ISRAEL IDEAS
Protecting and Saving Lives through Real-Time Monitoring

It's a common story: Mrs. Smith is aging, and ailing, perhaps in danger of falling on a regular basis. Her heart is weak, and cardiac problems are a constant concern. Yet, Mrs. Smith refuses to wear an Emergency Alert bracelet, as it offends her feeling of independence. And, she certainly isn't going to wear a heart monitor in bed.

Enter EarlySense, an Israeli developed system which monitors patients who need continuous tracking, without wires. The system uses sensors embedded into a mattress or chair cushion to monitor heartbeat, respiration rate, and movement.
