INNOVATION UPDATE FROM *Israel Ideas*

New Gauze Stops Bleeding In Minutes

Israeli first-aid innovations such as the world-famous Emergency Bandage saved the lives of many US servicemen as well as Arizona Congresswoman Gabriel Giffords after an assailant shot her. Now, there is news of another novel product designed originally with soldiers in mind but with much broader potential. WoundClot gauze is a flexible and easy-to-handle material made of highly absorbent regenerated cellulose (plant cells).

WoundClot absorbs about 2,500 percent of its own weight in fluids and forms a coagulating gel membrane with platelets from the blood on the open wound. By absorbing blood and enhancing the natural clotting process, this unique gauze stops hemorrhaging within minutes and naturally dissolves – no need for painful removal – within 24 hours. Transportation to Har Zion Temple

“Oh, if I’d only known she/he needed a ride to Har Zion.”

“Oh, I would have been there but I couldn’t get a ride.”

We are hearing these statements more and more – and would like to help our congregants who would like to attend services, meetings and programs.

Do you need a ride...To Services? To daytime or evening meetings and/or programs?

Can you provide an occasional ride?

What areas would be convenient for you? What Services, meetings, or programs do you usually attend (morning/afternoon/evening)?

Please contact Nanci Goldman, NanciG22@aol.com or 610-664-7987.
