

ABOUT STANDWITHUS

StandWithUs is a 15-year-old international, nonprofit, nonpartisan, educational organization dedicated to informing people of all ages and faiths about Israel. StandWithUs was established to share Israel's rich history and gifts with the world and to counter the misinformation that is promoted on campuses, in communities, and on the Internet.

Through 18 offices in six countries, StandWithUs has become a well-known resource for accurate information about Israel. By providing cutting-edge speakers, conferences, print and Internet materials, curricula for teachers, social media campaigns, internships for young adults, funding, and missions to Israel, StandWithUs engages and empowers middle and high school teens, college students, and community members around the world to stand up for Israel.

Unhindered by borders, StandWithUs reaches out to international pro-Israel communities in a variety of languages. StandWithUs also organizes programs or campaigns in China, South Africa, Europe, Australia, South America, Israel, and all over North America.

Founded in May of 2001, StandWithUs now has offices and chapters in Chicago, Dallas, Florida, Los Angeles, Michigan, New York, Orange County, Philadelphia, Rhode Island, San Diego, San Francisco, Santa Cruz, Washington DC, Washington State, Australia, Canada, the United Kingdom, Asia, and Israel. StandWithUs also has the highest possible ranking by two of the most prominent charity watchdog groups: Charity Navigator and GuideStar.

We thank you in advance for your partnership and donation today, which will help ensure support for Israel tomorrow.

HONOREE DR. SHERMAN N. LEIS

Sherman is a board certified plastic surgeon as well as professor and chairman of Plastic and Reconstructive Surgery and the founder and former program director for the residency training program at Philadelphia College of Osteopathic Medicine. Sherman is the founder, president and principal clarinetist of the Lower Merion Symphony Orchestra, which he began in 1991. For more than 40 years Sherman has been active with Rotary International—the largest service organization in the world—and has served three times as president of Bala Cynwyd-Narberth Rotary. Sherman has been actively involved with the Golden Slipper Club and Charities since his college days and was the camp doctor for several years following his graduation from medical school. For nearly 30 years he has volunteered as cantor for the club's annual seder. Having had such a positive and formative experience as a young man, Sherman was drawn to the work of StandWithUs with its focus on education and working with young people in high schools and on campuses to help them become strong advocates for Israel and the Jewish people. Sherman is the proud parent of two wonderful children, Justin and Sabrina.
