One evening Ella, a Tel Aviv psychologist and a single parent to an autistic son, is about to end her workday when she receives a frantic call from a man in desperate need of an immediate session. Patient G is none other than the One, God. The fate of the world is at risk! Anat Gov often referred to as Israel's Wendy Wasserstein has written a witty, poignant and smart play that challenges us to examine issues of faith.

Theatre Ariel is Pennsylvania's only professional theatre dedicated to illuminating the social, cultural and spiritual heritage of the Jewish people. Since the company's founding in 1990 Theatre Ariel has created and commissioned 74 new works, performing for audiences throughout Greater Philadelphia as well as from New York City to Washington DC.
