INNOVATION UPDATE FROM ISRAEL IDEAS

Israel's Facebook Team Led Development Of 'Lite' App

Facebook Lite, a lightweight version of the regular Facebook app for mobile phones, doubled its number of users in less than a year, now serving more than 200 million monthly active users globally. Development of Facebook Lite is led by the company's engineering office in Israel. Facebook Lite was developed for users in areas with slow internet connections, or with low-end devices or limited internet packages. The software uses less data, installs fast, loads quickly and works on all types of Androids, supporting all networks including 2G, according to the Facebook statement. Engaging Jerusalem

"If I forget thee, O Jerusalem..."

Jerusalem has captured the imagination of Jews for centuries. It's the direction to which we pray, it's the aspiration of centuries of dreamers, it holds hope and promise for many. In honor of the 50th anniversary of the Six Day War, Har Zion will engage our kehillah in a celebration of our eternal city of hope. Over the next eight months, we will explore the diverse role Jerusalem has played for us as a people from biblical times to present day.

February is dedicated to *Singing Jerusalem*. This week, we have two offerings – the first, "Jerusalem is Mine," is by Kenny Karen, a singer/songwriter and son of a prominent rabbi from Montreal. He was trained in cantorial arts as a youngster but by age 15 was signed for his first recording contract with Stand Records. During his career, he has sung in over 15,000 radio and television spots and is famously known for having written the jingle for the MacDonald's commercial "You Deserve a Break Today." "Jerusalem is Mine" was written in 1975. The second selection, "If I Forget Thee, O Jerusalem" (Psalm 137) and is sung by the illustrious Israeli singer Dudu Fisher as part of his one-man show "Jerusalem." He began cantorial studies at age 22 after serving in the IDF during the Yom Kippur War. Having served various pulpits including the Great Synagogue of Tel Aviv and in South Africa, he went on to play the role of Jean Valjean in the Hebrew production of Les Miserables in Israel and then on Broadway.
