**Digging Deeper – The Holidays – The Book of Ruth
 Wednesdays, May 17 and 24, 11 AM-12 PM**

We will delve into this short, biblical literary gem that is read on the holiday of Shavuot. We will learn of Ruth and Naomi and the circumstances of their lives which bound one to the other and how each rose to the highest stature of decency, goodness and deep humanity. It is a romantic and joyful story, laced with universalist ideas, wherein its characters are judged by their actions and deeds and not their ancestry. It is from this family that our messiah, King David, arose.
 Led by Dr. Sara Cohen *Sponsored by Sisterhood – All are invited!*

Achinoam Nini (known also as Noa), Israeli born of Yemenite origin, raised in the US, resides in Israel with her husband and three children. She is Israel's leading international singer/songwriter, having shared the stage with superstars such as Sting, Pat Metheny, Quincy Jones, Stevie Wonder, Andrea Bocelli and many more, and is Israel's first Good Will Ambassador for FAO, the Food and Agriculture Organization of the UN. She was also given the honorary title of Cavalliera de la Republica Italiana by Italy's former President Napolitano, and is the recipient of the Chrystal Award of the World Economic Forum, where she was also chosen a Global Leader of Tomorrow.

Together with her longstanding collaborator Gil Dor, she has released over 15 albums which have sold millions the world over. Noa was the first Jew to perform in the Vatican 20 years ago and has done so many times since. She wrote lyrics to and recorded the hugely successful theme song for the Academy Award winning film "La Vita e Bella." Noa sings in six languages, has collaborated with Symphony Orchestras around the world, and performed in the world's most prestigious venues, including the White House.

Udi Bar-David is widely considered as one of the most versatile cellists in the world today. Equally at home as a classical cellist and an innovative improviser of music of all genres, Udi has enjoyed performing on international stages with both classical and ethnic musicians from all over the world. Udi's classical music training began at the age of seven in Tel-Aviv, studying with Uzi Wiesel, supported by the American Israel Cultural Foundation. Later he came to the U.S. to study with Leonard Rose at the Juilliard School, and conducting at the Curtis Institute of Music with Max Rudolph.

INNOVATION UPDATE FROM ISRAEL IDEAS

Israeli Tech for Mass-Notification Alerts Saves Lives

When Lior Shalev, CEO of eVigilo, arrived at his office, he checked into the back office of his company's emergency mass-notification system to ensure that it was working smoothly in Chile. A few hours earlier, a major earthquake of magnitude 7.1 had struck the South American country and rocked the capital of Santiago.

eVigilo makes a geo-targeted system that enables officials to send out mass alerts simultaneously to computers, mobile phones, radio, sirens, social networks and television within seconds – even if all regular networks are busy. For Chileans, a warning system like this is crucial for saving lives in the event of earthquakes, tsunamis and volcanic eruption.
