Adult Ed Book Discussion – Monday, June 5, 5 PM

***Putting God Second: How to Save Religion from Itself* by Rabbi Donniel Hartman**

Please join Rabbi Alpert as we examine both the major themes of *“Putting God Second: How to Save Religion from Itself”* and the Biblical and Rabbinic sources that inform this book. We will explore religion’s moral failure – its “autoimmune disease” – or how religions undermine their own deepest values. We will begin with a focus on the critical importance of not being indifferent to the needs of others and discuss both the “disease” as well as how to recover from the twin problems of “God intoxication” and “God manipulation” that is so prevalent in religious life today.

You will need to purchase the book for discussion purposes.

You are still welcome if you missed the previous sessions.

INNOVATION UPDATE FROM ISRAEL IDEAS
Israeli Tech for Mass-Notification Alerts Saves Lives

When Lior Shalev, CEO of eVigilo, arrived at his office, he checked into the back office of his company's emergency mass-notification system to ensure that it was working smoothly in Chile. A few hours earlier, a major earthquake of magnitude 7.1 had struck the South American country and rocked the capital of Santiago.

eVigilo makes a geo-targeted system that enables officials to send out mass alerts simultaneously to computers, mobile phones, radio, sirens, social networks and television within seconds – even if all regular networks are busy. For Chileans, a warning system like this is crucial for saving lives in the event of earthquakes, tsunamis and volcanic eruption. To read more, go to: <http://www.israelideas.org/#!current/clgqf>.

"Oh, if I'd only known she/he needed a ride to Har Zion."

"Oh, I would have been there but I couldn't get a ride."

Do you need a ride...To Services? To daytime or evening meetings and/or programs?

Can you provide an occasional ride?

What areas would be convenient for you? What Services, meetings, or programs do you usually attend (morning/afternoon/evening)?
