THIS SUMMER – GIVE A D'VAR TORAH AT SHABBAT SERVICES...

Why are Bar/Bat Mitzvah students the only Har Zion Temple members who share thoughts on the weekly Torah portion or Haftarah with the community? Each Shabbat from **June 10-11 through August 26-27**, we encourage all of our members to step forward and prepare three to five minutes of Torah or Haftarah commentary to present at Friday night or Saturday morning services. Please contact Rabbi Allen ruallen@harziontemple.org to select a date. All of our clergy are more than ready to help you prepare and present your D'var Torah. It is a wonderful opportunity to grow Jewishly, and the congregation looks forward to hearing your insights.

INNOVATION UPDATE FROM ISRAEL IDEAS Manage Your Stress With An App

Serenita is a personalized mobile solution for Android and iOS from Eco-Fusion. It measures your stress levels, helping you to manage stress throughout the day with a tailored five-minute relaxation exercise. The science embedded into Serenita's app is based upon years of clinical studies and research.

The award-winning app acquires data from your finger, turning the phone's camera into a bio-medical sensor, peering into your bloodstream to find biomedical markers regarding heart rate, heart rate variability and blood flow. The data is processed to assess your stress and focus level. If elevated stress is detected, Serenita guides you through a personalized interactive breathing exercise designed to turns on the body's natural "rest and digest" response and turn off the production of stress hormones like adrenaline and cortisol. You can see in real-time how the exercise affects your stress/focus level and track past results.
