### GUESS WHO'S COMING TO SHABBAS? WEEKEND OF JUNE 12-13

GWC2S is an initiative that uses the power of Shabbat meals to strengthen our synagogue's sense of kehillah or community. Participants can host Shabbat dinner (on Fridays) or Shabbat lunch (on Saturdays) in their own homes or be guests at someone else's home. Please let us know if you will join us as a host or guest by emailing us at [guesswhoscoming2shabbat@gmail.com](mailto:guesswhoscoming2shabbat@gmail.com). We will confirm your participation and send you directions for the next steps. Questions? Contact us at [guesswhoscoming2shabbat@gmail.com](mailto:guesswhoscoming2shabbat@gmail.com). Together we can make this a success for our synagogue community.

### SAVE THE DATE – MEMORIAL FOR VLADIMIR SLEPAK – TUESDAY, JUNE 16, 7:30 PM

Vladimir (Volodya) Slepak passed away in April. The Philadelphia community will gather to honor his memory and say thank you to this giant of a man. Vladimir was the heart and soul of the Soviet Jewry movement, and was recognized as the "father of the movement." He and his wife Masha finally arrived in Israel after 17 years of waiting. When he arrived he said, "It is not my individual accomplishment to be here. It is the fight of the Jewish people everywhere. I am a simple Jew with a simple strength." Let's come together to honor this simple, great man.

**All are welcome. Light reception to follow.**

## **INNOVATION UPDATE FROM ISRAEL IDEAS**

**Look Ma, No Phone! Use This Israeli-Designed Smart Pen to Answer Calls, Send Texts Without Looking at Your Phone**

That pen you carry around in your pocket can be really useful, if you have a piece of paper handy. What if you don't? Phree, from Israeli firm OTM Technologies, is a smart mobile input pen that allows you to dial and answer calls, send text messages and doodle on virtually any surface.

You're sitting in a coffee shop when you get an idea you want to write down. Scribble on the tabletop with Phree and watch the note appear on your phone. You're playing with your 3-year-old nephew, and want to draw him a picture he can save – use Phree and watch it appear on the TV. Phree expands the boundaries of self-expression.
