THIS SUMMER – GIVE A D'VAR TORAH AT SHABBAT SERVICES...

Why are Bar/Bat Mitzvah students the only Har Zion Temple members who share thoughts on the weekly Torah portion or Haftarah with the community? From **June 16-17 through August 25-26**, we encourage all members to step forward and prepare three to five minutes of Torah or Haftarah commentary to present at Friday night or Saturday morning services. Please contact Rabbi Allen, rualen@harziontemple.org to select a date. All of our clergy are more than ready to help you prepare and present your D'var Torah. Both Cantor Vogel and Rabbi Alpert are more than willing to help you prepare to read Torah or chant a Haftarah this summer. If you are interested in either or both, let Rabbi Alpert, rralpert@harziontemple.org know as soon as possible. All are wonderful opportunities to grow Jewishly, and the congregation looks forward to hearing your insights or chanting.

Engaging Jerusalem

Engaging Jerusalem

"If I forget thee, O Jerusalem..."

Jerusalem has captured the imagination of Jews for centuries. It's the direction to which we pray, it's the aspiration of centuries of dreamers, it holds hope and promise for many. In honor of the 50th anniversary of the Six Day War, Har Zion will engage our kehillah in a celebration of the city of our eternal city of hope. This year, we have explored the diverse role Jerusalem has played for us as a people, from biblical times to present day. Each month was assigned a verb that guided our exploration – June is 'Building Jerusalem.'

JNF and Israel's Water Solutions with Talia Tzour-Avner

Tuesday, June 20, 7 pm

No charge – Open to the community

With more than 25 years of dedicated service, Talia Tzour-Avner has played an instrumental role in implementing KKL-JNF's vision for the land and people of Israel. As Jewish National Fund's Chief Israel Emissary, Talia fosters a close connection between the American Jewish community, the Israeli people and KKL and JNF operations. She oversees JNF Task Forces on water solutions and cutting-edge development of Israel's Arava region. A Sabra born in Jerusalem, Ms. Tzour-Avner continues the Zionist legacy of her family, who made Aliyah from all over the world to play their part in establishing the State of Israel.

INNOVATION UPDATE FROM ISRAEL IDEAS

New Israeli Technology Can Predict Resistance to Chemotherapy

NewStem, a biotech startup based in Jerusalem, is developing a novel diagnostic kit for predicting resistance to chemotherapy treatments. The problem to be addressed is that chemotherapy, still the mainstay in cancer treatment, often results in the tumor developing resistance to the drugs, rendering the therapy ineffective. It also unnecessarily subjects patients to powerful pharmaceuticals that are no longer effective. The technology is based on the pioneering research of Prof. Nissim Benvenisty of the Azrieli Center for Stem Cells and Genetic Research at the Hebrew University of Jerusalem.
