Engaging Jerusalem

"If I forget thee, O Jerusalem..."

Jerusalem has captured the imagination of Jews for centuries. It's the direction to which we pray, it's the aspiration of centuries of dreamers, it holds hope and promise for many. In honor of the 50th anniversary of the Six Day War, Har Zion will engage our *kehillah* in a celebration of the city of our eternal city of hope. This year, we have explored the diverse role Jerusalem has played for us as a people, from biblical times to present day. Each month was assigned a verb that will guide our exploration – **June is 'Building Jerusalem.**

All programs labeled with this icon will include *Engaging Jerusalem* content.

This Summer – Give a D'var Torah at Shabbat Services...

Why are Bar/Bat Mitzvah students the only Har Zion Temple members who share thoughts on the weekly Torah portion or Haftarah with the community? From **June 16-17 through August 25-26**, we encourage all members to step forward and prepare three to five minutes of Torah or Haftarah commentary to present at Friday night or Saturday morning services. Please contact Rabbi Allen, ruallen@harziontemple.org to select a date. All of our clergy are more than ready to help you prepare and present your d'var Torah.

Both Cantor Vogel and Rabbi Alpert are more than willing to help you prepare to read Torah or chant a Haftarah this summer. If you are interested in either or both, let Rabbi Alpert, ralpert@harziontemple.org know as soon as possible. All are wonderful opportunities to grow Jewishly, and the congregation looks forward to hearing your insights or chanting.

INNOVATION UPDATE FROM ISRAEL IDEAS

New Israeli Technology Can Predict Resistance to Chemotherapy

NewStem, a biotech startup based in Jerusalem, is developing a novel diagnostic kit for predicting resistance to chemotherapy treatments. The problem to be addressed is that chemotherapy, still the mainstay in cancer treatment, often results in the tumor developing resistance to the drugs, rendering the therapy ineffective. It also unnecessarily subjects patients to powerful pharmaceuticals that are no longer effective. The technology is based on the pioneering research of Prof. Nissim Benvenisty of the Azrieli Center for Stem Cells and Genetic Research at the Hebrew University of Jerusalem. Transportation to Har Zion Temple

"Oh, if I'd only known she/he needed a ride to Har Zion."

"Oh, I would have been there but I couldn't get a ride."

We are hearing these statements more and more – and would like to help our congregants who would like to attend services, meetings and programs.

Do you need a ride... Can you provide an occasional ride?

What areas would be convenient for you? What Services, meetings, or programs do you usually attend (morning/afternoon/evening)?

Please contact Nanci Goldman, NanciG22@aol.com or 610-664-7987.
