Engaging Jerusalem

"If I forget thee, O Jerusalem..."

Jerusalem has captured the imagination of Jews for centuries. It's the direction to which we pray, it's the aspiration of centuries of dreamers, it holds hope and promise for many. In honor of the 50th anniversary of the Six Day War, Har Zion will engage our *kehillah* in a celebration of the city of our eternal city of hope. Through August, we will explore the diverse role Jerusalem has played for us as a people, from biblical times to present day. Each month has been assigned a verb that will guide our exploration.

June is 'Building Jerusalem' and will feature two programs that allow us to engage the idea of what it takes to build the eternal city. The first program will be a hands-on building opportunity for the children of the Jane Fishman Grinberg Religious School to "build" Jerusalem in Lego models, and the second will be a presentation by the JNF focused on infrastructure and the resources that it takes to keep Israel and Jerusalem as its capital well cared for.

All programs labeled with this icon will include *Engaging Jerusalem* content.

JFGRS Snapology Lego Building of Jerusalem – Sunday, June 4, 11 AM

As part of the Jane Fishman Grinberg Religious School's Spectabulous Year-End Celebration, the Gan-Bet classes will work on a project of 'Lego Building Jerusalem' with Snapology.

Snapology

Snapology's goal is to put purpose to their building through blueprinting and idea sharing. Their themed programs use LEGO® bricks, K'Nex and other interactive building toys to engage children and spark their creativity (go to www.snapology.com for more info).

Putting God Second: How to Save Religion from Itself by Rabbi Donniel Hartman

Please join Rabbi Alpert as we examine both the major themes of *“Putting God Second: How to Save Religion from Itself”* and the Biblical and Rabbinic sources that inform this book. We will explore religion’s moral failure – its “autoimmune disease” – or how religions undermine their own deepest values. We will begin with a focus on the critical importance of not being indifferent to the needs of others and discuss both the “disease” as well as how to recover from the twin problems of “God intoxication” and “God manipulation” that is so prevalent in religious life today. **You will need to purchase the book for discussion purposes. You are still welcome if you missed the previous sessions.**

This Summer – Give a D'var Torah at Shabbat Services...

Why are Bar/Bat Mitzvah students the only Har Zion Temple members who share thoughts on the weekly Torah portion or Haftarah with the community? From **June 16-17 through August 25-26**, we encourage all members to step forward and prepare three to five minutes of Torah or Haftarah commentary to present at Friday night or Saturday morning services. Please contact Rabbi Allen, ruallen@harziontemple.org to select a date. All of our clergy are more than ready to help you prepare and present your d'var Torah. Both Cantor Vogel and Rabbi Alpert are more than willing to help you prepare to read Torah or chant a Haftarah this summer. If you are interested in either or both, let Rabbi Alpert, rralpert@harziontemple.org know as soon as possible. All are wonderful opportunities to grow Jewishly, and the congregation looks forward to hearing your insights or chanting.

INNOVATION UPDATE FROM ISRAEL

New Israeli Technology Can Predict Resistance to Chemotherapy

NewStem, a biotech startup based in Jerusalem, is developing a novel diagnostic kit for predicting resistance to chemotherapy treatments. The problem to be addressed is that chemotherapy, still the mainstay in cancer treatment, often results in the tumor developing resistance to the drugs, rendering the therapy ineffective. It also unnecessarily subjects patients to powerful pharmaceuticals that are no longer effective. The technology is based on the pioneering research of Prof. Nissim Benvenisty of the Azrieli Center for Stem Cells and Genetic Research at the Hebrew University of Jerusalem. Do you need a ride...To Services? To daytime or evening meetings and/or programs?

Can you provide an occasional ride?
