INNOVATION UPDATE FROM ISRAEL IDEAS

Submarine Technology Set to Green the Trucking Industry

Game-changing Israeli technology extends driving range by 440 kilometers (273 miles). Submarines and electric battery-powered trucks might seem as odd a mix as water and oil, but the connection runs deep and Israeli British-Israeli firm Tevva has figured out how to use electric battery technology originally developed to power submarines in its eco-friendly trucks. Investors are now taking notice big time. The Indian auto component giant Bharat Forge has made a \$13 million investment in the company with the hopes of not only getting electric trucks on the British roads but bringing the concept to India as well.
