THIS SUMMER . . . GIVE A D'VAR TORAH AT SHABBAT SERVICES

Why are Bar/Bat Mitzvah students the only Har Zion Temple members who share thoughts on the weekly Torah portion or Haftarah with the community? **Through August 28-29** we encourage all of our members to step forward and prepare three to five minutes of Torah or Haftarah commentary to present at Friday night or Saturday morning services. Please contact Rabbi Allen ruallen@harziontemple.org to select a date. All of our clergy are more than ready to help you prepare and present your D'var Torah. INNOVATION UPDATE FROM ISRAEL IDEAS

Israeli Company Trains Mice To Detect Explosives At Airports

Animals are known for their impressive ability to respond to external stimuli, and mice are no exception. Israeli company X-Test is harnessing the traits that make mice particularly extraordinary. It turns out that these small mammals can sniff out explosives at airport security checkpoints and save travelers and authorities time and money. These specially trained mice will be carried in cages to different checkpoints in order to discreetly smell people and their possessions, alerting officials when they sense a potentially lethal substance.
