INNOVATION UPDATE FROM  ISRAEL IDEAS
Bringing Global Hope for Radiation Treatment

Once it was Three Mile Island, then Chernobyl – but today, the name that evokes the horror of nuclear radiation is Fukushima, the site of a tragic 2011 incident in which an earthquake and subsequent tsunami led to three nuclear meltdowns, hydrogen-air explosions, and the massive release of radioactive material into the air.

Seven years later, the Japanese government says that the cleanup of the site is nearly complete, and that it is safe to return to Fukushima. It is not known how many people died or got sick due to radiation at Fukushima, but a WHO report predicted a rise in some cancer rates in contaminated areas.

Transportation to Har Zion Temple

"Oh, if I'd only known she/he needed a ride to Har Zion."

"Oh, I would have been there but I couldn't get a ride."

We are hearing these statements more and more – and would like to help our congregants who would like to attend services, meetings and programs.

Do you need a ride...To Services? To daytime or evening meetings and/or programs?

Can you provide an occasional ride?

What areas would be convenient for you? What Services, meetings, or programs do you usually attend (morning/afternoon/evening)?

Please contact Nanci Goldman, nancigoldman22@gmail.com or 610-664-7987.
