THIS SUMMER – GIVE A D'VAR TORAH AT SHABBAT SERVICES...

Why are Bar/Bat Mitzvah students the only Har Zion Temple members to share thoughts on the weekly Torah (or Haftarah) portion with the community? We invite all members to contact Rabbi Allen ruallen@harziontemple.org to select a date to present three to five minutes of commentary for that week's Torah (or Haftarah) portion. All of our clergy are more than ready to help you prepare and present! Take advantage of this opportunity to develop stronger ties with our other Members and strengthen your Judaism at the same time.

Most Shabbat services **until August 27** are currently available for D'var Torah, but dates are going quickly, so sign up today!

INNOVATION UPDATE FROM ISRAEL IDEAS
Free App for Detecting Skin Cancer

Approximately 420 million people worldwide have a high risk of getting melanoma, the most deadly form of skin cancer, particularly those with fair skin. Annual treatment expenditures for melanoma in the U.S. alone total \$8 billion. In addition to every child getting a vision and hearing check in school on a regular basis, Dr. Fried, an Israeli plastic surgeon, believes an annual skin check is necessary as well, starting in the teens. As a result, Dr. Fried agreed to be the medical consultant for Emerald Medical Applications' DermaCompare, a free smartphone app that uses image processing and predictive analytics to detect changes in marks and moles over time. The app alerts the user of changes that ought to be screened for cancer.
