This Summer – Give a D'var Torah at Shabbat Services

Why are Bar/Bat Mitzvah students the only Har Zion Temple members to share thoughts on the weekly Torah (or Haftarah) portion with the community? We invite all members to contact Rabbi Allen ruallen@harziontemple.org to select a date to present three to five minutes of commentary for that week's Torah (or Haftarah) portion. All of our clergy are more than ready to help you prepare and present! Take advantage of this opportunity to develop stronger ties with our other Members and strengthen your Judaism at the same time.

Most Shabbat services **until August 27** are currently available for D'var Torah, but dates are going quickly, so sign up today!

INNOVATION UPDATE FROM  ISRAEL IDEAS
Printing Human Tissue From Stem Cells

Technology that can print a human organ – is it science fiction? Israel's Nano Dimension, which makes 3D printers, has taken the first step towards turning big-screen fantasy into everyday reality. Through a collaboration with another Israeli company, biotechnology firm Accellta, Nano Dimension has been able to mix human stem cells into its 3D printer ink. When expelled through the more than 1,000 tiny nozzles of a Nano Dimension DragonFly 3D printer, the ink can form into human tissue.

The technology is still at the proof-of-concept stage and going from simple tissue to a full organ is a daunting and uncharted process. Nevertheless, the possibilities for saving lives by "printing" a new liver or lung are amazing. To read more go to: <http://www.israelideas.org/#!current/c1gqf>.

Transportation to Har Zion Temple

"Oh, if I'd only known she/he needed a ride to Har Zion."

"Oh, I would have been there but I couldn't get a ride."

We are hearing these statements more and more – and would like to help our congregants who would like to attend Services, meetings and programs.

Do you need a ride...To Services? To daytime or evening meetings and/or programs?

Can you provide an occasional ride?

What areas would be convenient for you? What Services, meetings, or programs do you usually attend (morning/afternoon/evening)?

Please contact Nanci Goldman at NanciG22@aol.com or 610-664-7987.
