### THIS SUMMER . . . GIVE A D’VAR TORAH AT SHABBAT SERVICES

Why are Bar/Bat Mitzvah students the only Har Zion Temple members who share thoughts on the weekly Torah portion or Haftarah with the community? **Through August 28-29** we encourage all of our members to step forward and prepare three to five minutes of Torah or Haftarah commentary to present at Friday night or Saturday morning services. Please contact Rabbi Allen [ruallen@harziontemple.org](mailto:ruallen@harziontemple.org) to select a date. All of our clergy are more than ready to help you prepare and present your D’var Torah. It is a wonderful opportunity to grow Jewishly, and the congregation looks forward to hearing your insights.

### DO YOU NEED THE HAR ZION CARING CONNECTION?

We are a network of fellow congregants who would like to hear from you if you have a need in your good times and bad. We encourage any congregant to contact us if you know of a fellow congregant who is ill or has had a loss. Please don’t assume we know. Call 610-667-5000, ext 178 or [caring@harziontemple.org](mailto:caring@harziontemple.org). Help us help you!

## INNOVATION UPDATE FROM ISRAEL IDEAS

### New Israeli-developed Algorithm Can Help with Weight Loss

If you follow medical trends, you know that personalized medicine – an offshoot of genomics studies – is the wave of the future. Now, research done at the Weizmann Institute in Israel indicates that a computer algorithm which creates personalized diets for individuals could drive weight loss more effectively than counting calories or exercising alone. Results from the Weizmann Institute indicate it is the way in which the stomach's bacteria react to food that dictates what a person should and should not eat.
