INNOVATION UPDATE FROM ISRAEL IDEAS

Impossible? Or, I'm Possible?

12 impossible ideas that Israelis turned into reality -

Tell an Israeli his or her invention idea is preposterous, and you've just given that inventor a reason to see it through. Whether it was planting crops in the desert or building a crowd-sourced navigation app, most groundbreaking Israeli innovations were initially dismissed as impossible – until bold action turned them into reality.

According to Israel's Chief Scientist Avi Hasson, Israelis are brilliant at outside-the-box thinking "because we have no choice. We're a small country, far away from the market.
