Give a D'var Torah at Shabbat Services...

Through the end of August, we encourage all members to step forward and prepare three to five minutes of Torah or Haftarah commentary to present at Friday night or Saturday morning services. All of our clergy are more than ready to help you prepare. If you are interested in either or both, let Rabbi Alpert, rralpert@harziontemple.org know as soon as possible. All are wonderful opportunities to grow Jewishly, and the congregation looks forward to hearing your insights or chanting.

INNOVATION UPDATE FROM ISRAEL IDEAS How To Make The Desert Bloom

At the Ramat Negev Agro-Research Center, acacia trees bloom and fat pumpkins ripen on the ground. Everywhere you look, jewel-like cherry tomatoes dangle above the sand, on vines strung to wires, carefully irrigated and nourished.

While tiny tomatoes have been around for centuries, certain varieties of cherry tomatoes – including the popular tomaccio – were developed in Israel back in the 1970s. Here they grow in abundance, as do sweet peppers of all colors – yellow, green, red, chocolatey-brown, and purple.
