INNOVATION UPDATE FROM ISRAEL IDEAS

New Israeli Device Helps Correct Your Posture

In a world where many of us slouch over our keyboards for hours each day, causing all types of back pains – the new Israeli device UpRight can train you to achieve better posture. The UpRight wearable training device, embedded with dual sensors, attaches to your lower back with hypoallergenic adhesive strips and gently vibrates every time you slouch. The UpRight company claims that wearing the device less than an hour a day will train your muscles and mind to sit and stand upright after only two or three weeks of use. An optional companion mobile app for Android and iOS generates a customized training program offering real-time feedback, posture analytics, statistics, tips and techniques.

Friday Evening Study

Please, by the power of Your great right hand,
set the captive nation free.

Accept Your people's prayer. Strengthen us, purify us,
You who are revered.

Please, mighty One, guard like the pupil of the eye
those who seek Your unity.

Bless them, cleanse them, have compassion on them,
grant them your righteousness always.

Mighty One, holy One, in Your great goodness
guide Your congregation.

Only One, exalted One, turn to Your people,
who proclaim Your holiness.

Accept our plea and heed our cry,
You who know all secret thoughts.

Blessed by the name of His glorious kingdom for
ever and all time.
