New Procedures for the Mi Shebeirach List

In an effort to better serve the needs of our congregation, we are changing the way we maintain and update our Mi Shebeirach list (the list of people who have requested prayers for healing). To make sure our list is as current as possible, we are building a new list from scratch. Even if you have previously asked that a name be placed on this list, we ask that you contact Laurie and request that person's name be included on the list. Moving forward, names will be kept on the list for four weeks and then removed unless you, or a member of our Clergy specifically request that they remain longer. To have a name added to the list (or to update the status of the person named), please call or email Laurie Albert in the Clergy office at 610-667-5000 x111 or lalbert@harziontemple.org.

INNOVATION UPDATE FROM ISRAEL IDEAS

Israeli Startup Helps Businesses Get An App 'in A Snap'

Now, an Israeli firm, AppsVillage, is seeking to do for apps what the Israeli Wix.com did for websites,
having made it cheaper and quicker to set up a website. As our cell phones become an extension
of our arms and are an integral part of our daily lives, so has the use of mobile apps grown: we
have apps to show us the way, apps to count our steps, apps to touch up our photos and apps to
keep in touch with friends. According to App Annie, a business intelligence firm headquartered
in San Francisco, the time we spend using apps continues to increase. On average, Smartphone
users use over 30 apps per month, and an average of at least nine apps per day. These are used
mainly for social networking and communications, but also for photos and video, gaming, music,
entertainment and shopping. To read more, go to: <http://www.israelideas.org/#!current/c1gqf>.

Please pick up your bags on Rosh Hashanah and bring your donations of non-perishable protein items on Kol Nidre for our High Holiday Food Drive as part of Jewish Federation's Mitzvah Food Project which feeds thousands of low-income recipients throughout the region. Our Jewish community's goal is to raise 50,000 lbs of food, which will help stretch the Mitzvah Food Project's budget to serve over 3,300 households. If together we hit this goal, these donations will supplement food packages for up to five months. We encourage you to donate kosher tuna, sardines, salmon, nut butters, chick peas, black beans, red beans, nuts, etc. Again, please bring these items on Kol Nidre when you come for services.
