Mi Shebeirach

Mi shebeirach avoteinu

M'kor hab'racha l'imoteinu

May the source of strength,
Who blessed the ones before us,
Help us find the courage to make our
lives a blessing, and let us say, Amen.

Mi shebeirach imoteinu

M'kor habrachah l'avoteinu

Bless those in need of healing with
r'fuah sh'leimah,
The renewal of body, the renewal of spirit,
And let us say, Amen

New Procedures for the **Mi Shebeirach List**

In an effort to better serve the needs of our congregation, we are changing the way we maintain and update our Mi Shebeirach list (the list of people who have requested prayers for healing). To make sure our list is as current as possible, we are building a new list from scratch. Even if you have previously asked that a name be placed on this list, we ask that you contact Laurie and request that person's name be included on the list. Moving forward, names will be kept on the list for four weeks and then removed unless you, or a member of our Clergy specifically request that they remain longer. To have a name added to the list or to update the status of the person named, please call or email Laurie Albert in the Clergy office at 610-667-5000 x111 or lalbert@harzi-ontemple.org.

**Learning Wisdom from the Gentiles – Benjamin Franklin's Impact
on the Mussar Movement with Dr. Josh Kulp**

Monday September 25, 6:30-8 PM – Open to the community

Dr. Joshua Kulp is the Rosh Yeshiva of the Conservative Yeshiva in Jerusalem, located in the Fuchsberg Center of the United Synagogue of Conservative Judaism. He is the author of Reconstructing the Talmud and The Schechter Haggadah, and writes the material for the CY's Daf Shevui and Mishnah Yomit programs. During the summer he is Rosh Bet Midrash at Camp Ramah in New England. Dr. Kulp is originally from Margate, New Jersey and lives in Modiin, Israel with his wife and four children.

INNOVATION UPDATE FROM  ISRAEL IDEAS
Look Into My Eyes For Early Signs of Alzheimer's

The burden of treating Alzheimer's is clear: It is the most expensive disease in North America, costing an estimated \$247 billion in healthcare system and out-of-pocket costs in 2016. (Globally, it's over \$800 billion.) The number of patients worldwide is expected to double to 75 million by 2030 and nearly double again to 130 million by 2050. Diagnosing Alzheimer's today is an expensive, invasive and not always readily available process, mainly utilizing PET brain imaging and lumbar puncturing. The same biomarkers that accumulate in the brain – proteins called beta-amyloids that clump together into sticky "plaque" that are the signs of Alzheimer's disease – appear in the retina of the eyes up to 15 years before the onset of any symptoms. What if all a physician had to do was plug in a portable scanner and train it on a patient's eyes? That would save money, minimize patient discomfort and make earlier testing much more common.

Holiday Help for Area Students

Jewish college and graduate students in our area would greatly appreciate having holiday dinner (first and second night Rosh Hashanah and Break the Fast) with you. Don't miss this opportunity to offer your hospitality to those young people who are far away from their families. For more information, please contact Madelyn Karasick, 610-505-6131.

High Holiday Food Drive 2017 – Federation's Mitzvah Food Project

Please pick up your bags on Rosh Hashanah and bring your donations of non-perishable protein items on Kol Nidre for our High Holiday Food Drive as part of Jewish Federation's Mitzvah Food Project which feeds thousands of low-income recipients throughout the region. Our Jewish community's goal is to raise 50,000 lbs of food, which will help stretch the Mitzvah Food Project's budget to serve over 3,300 households. If together we hit this goal, these donations will supplement food packages for up to five months. We encourage you to donate kosher tuna, sardines, salmon, nut butters, chick peas, black beans, red beans, nuts, etc. Again, please bring these items on Kol Nidre when you come for services.
