ישעיה 35:2

“...and the desert shall rejoice and flower as a rose.”

Isaiah 35:2

Brighten your seder table with fresh, Israeli-grown roses.

The flowers are grown on Moshav Sde Nitzan, located in the Northern Negev of Israel, an area blessed with abundant sunshine. The flowers are picked daily, “quick cooled”, and rushed to the major flower markets in Europe and the United States. Ramah Day Camp offers these magnificent long-stem roses to the community in support of the Israeli economy and Ramah programs.

Only \$22 per dozen. All orders MUST be received no later than Thurs., March 8th .
