

Kehillah of Lower Merion

Community Selihot

**“Al Chet...And for the Sins We Have Committed
in Abusing the Environment...”**

We prepare spiritually for Rosh Hashanah and Yom Kippur by attending this special “Selihot” (forgiveness) service. Selihot helps us begin the process of examining the deeds of the past year, seeking forgiveness and promising to improve ourselves in the coming year.

Please join clergy, choirs and congregations at our KLM community Selihot observance. Our guest speaker will be Rabbi Lawrence Troster, Director of the Fellowship program and Rabbinic Scholar-in-Residence for GreenFaith, the interfaith environmental coalition in New Jersey. Rabbi Troster also co-chairs the Interfaith Partnership for the Environment of UNEP (United Nations Environment Program). Begin the New Year with this opportunity to acknowledge our environmental “sins” and ways to address them.
