**Ancestral Journeys: Ancient Biblical Myth and End-of-Life Wisdom in Torah and Midrash with Simcha Raphael**

**Tuesday, November 5, 10-11:30 AM**

*An exploration of the themes of life, death, loss and transformation in the sacred stories of the Book of Genesis, with contemporary guidelines for living life in our times.*

**Abraham’s Calling – From Grief of Emptiness to Fulfillment of Destiny**

In Genesis we read of Abraham’s calling to become the father of a nation. Yet, in his lifetime he experienced much loss – death in the family, infertility, uprooted from his home and birthplace. Abraham’s story is a reminder that each of us are called into our own unique destiny, often against the background of loss and change in our life.

**Siddur Study with Dr. Sara H. Cohen – Wednesday, November 6, 11 AM**

An in-depth, multi-faceted study of our Shabbat liturgy. By “unpacking” the many layers of meaning and commentary, by delving into the history, background and lives of the great intellectual giants who wrote our prayers, we gain a keener understanding of their meaning and of the values and ideals inherent in them. Through this sharper knowledge and understanding, we discover what we stand for as Jews.

In prior years, we covered the *Birchot HaShachar*, *P’sukei D’Zimrah*, the *Shma* and its Blessings and the *Amidah (Shmoneh Esrai)*. We begin this semester with *Kreet HaTorah* (Torah Reading service) and *Haftarah*, the *Musaf* service (additional service) and the concluding prayers for Shabbat morning.

Join us, learn and study with us so that you can connect more readily and easily to our heritage and keep our legacy alive and thriving.

**Joy of Shabbat Dinner and Speaker Series – Friday, October 8**

**Following 6 PM Services – Dinner by reservation only**

**8:15 PM – Speaker**

Archaeology has the potential to teach us a lot about people who lived long ago. It also has the potential to be misused to confirm preconceived notions about the past.
