Honor Your Father and Your Mother: Caring for Sick or Elderly Parents

As our parents age, most of us find ourselves in the position of providing extensive care. This loving care dominates and characterizes a portion of our lives – it is both a tremendous privilege and a daunting challenge. Rabbinic literature describes caring for sick and aging parents as the most difficult mitzvah to fulfill. Join us to discuss how Judaism presents this mitzvah and encourages dedication and tenderness toward parents as well as sensitivity toward caregivers.
