New Procedures for the Mi Shebeirach List

In an effort to better serve the needs of our congregation, we are changing the way we maintain and update our Mi Sheberach list (the list of people who have requested prayers for healing). To make sure our list is as current as possible, we will be building a new list from scratch. So even if you have previously asked that a name be placed on this list, we ask that you call or email and request that person's name be included on the list.

Moving forward, names will be kept on the list for four weeks and then removed unless you, or a member of our Clergy team specifically request that they remain longer.

To have a name added to the list (or to update the status of the person named), please call or email Laurie Albert in the Clergy office at 610-667-5000 x111 or lalbert@harziontemple.org.

WE NEED YOU!

INNOVATION UPDATE FROM **How To Make The Desert Bloom**

At the Ramat Negev Agro-Research Center, acacia trees bloom and fat pumpkins ripen on the ground. Everywhere you look, jewel-like cherry tomatoes dangle above the sand, on vines strung to wires, carefully irrigated and nourished.

While tiny tomatoes have been around for centuries, certain varieties of cherry tomatoes – including the popular tomaccio – were developed in Israel back in the 1970s. Here they grow in abundance, as do sweet peppers of all colors – yellow, green, red, chocolatey-brown, and purple.
